

Modification of Local Rule

The winter conditions and the consequent lack of growth response on the fairways have encouraged a modification to the current 'Preferred Lie' Local Rule for Mens, Ladies and Medley competitions:

For All competitions:

A 'Preferred Lie' (maximum of 30 cm) for the ball in play may be taken through the green (Rule 16.1), unless otherwise provided for in the Rules of Golf, or by other Local Rules.

This change shall have effect from Sat 25 July and be in place until further notice.

This alteration to the Local Rule has come about because the change in the course management resulting from Covid-19 restrictions aimed at reducing the potential for cross-contamination when using course equipment results in less mowing activity, and consequently less visible demarcation between fairway and rough.

This is only a short-term temporary arrangement and thus there is no need to adjust our Course ratings.
