Local businesses have gotten behind the event to provide sponsorship. This includes O’Connor IH, Forbes Caravans & Cabins, and many other business houses around town. The Organising Committee is very grateful for their support.

Organising Secretary, Beryl Roberts, has indicated that numbers are once again high with over 110 registered players. These players represent 31 Clubs across NSW, with many players returning to sample once again the hospitality and excellent course at Forbes.

The 2019 winners – Dale Stait (Parkes) and Dianne Morrison (The Links) are defending their titles. There was no play in 2020 due to Covid-19 Regulations.

With good autumnal weather this will once again be an event to remember, and encourage return visits to Forbes by the travelling golfers keen to play on our ‘Little Augusta’.
