Dear Member

End of 'Stay-at-Home' Health Rules

From 1:00 pm on Thu 16 Sep 2021, The NSW Health Dept removed the 'Stay-at-Home' Rules for a number of LGAs, including Forbes. Changes to Golf activities are:

Competition Play

Sat 18 Sep: With over 100 players on the timesheet for golf, the plan is to remain at '**play will be in groups of 2**'. Changing to groups of 4 between now and Saturday morning would be an administration nightmare.

From Sun 19 Sep onwards: play can be in groups of 4 and golf carts can have 2 people in the one cart.

Social/Casual Golf

From 1pm on Thursday, 16th September play can be in groups of 4 and golf carts can have 2 people in the one cart.

Please note:

- Until further notice the bunker will stay out of play and the flagsticks are 'do not touch' with the sponge at the base.
- You must **check in with the QR code on arrival at the Pro Shop and check out after your golf round is completed.**
- Still only 4 in the Pro Shop at any one time

Players from other areas not in lockdown will be able to play at Forbes and vice versa. So Forbes golfers can play on another course **only if** that course is not in a lockdown area.

Good golfing,

Ted Morgan
President FGA
